

## LEDCOM International Short-listed for the “Mario Unnia 2019” Award at the Piazza Affari Milan Stock Exchange Haedquarters.

24 June 2019

LEDCOM International was invited to join the final event of the “Mario Unnia – Talento & Impresa 2019” award, promoted and organized by BDO Italia to reward the best companies for innovation and talent during the past year. The evening included panel discussions with more than 100 entrepreneurs from 12c different regions and a relevant contribution by Mara Maionchi, herself a famous entrepreneur and talent scout in the music industry. The “Mario Unnia – Talento & Impresa 2019” award included 6 main categories, each representing different entrepreneurial skills, plus the special award “Marco Artiaco – Idee & Futuro” for start-up and innovative small and medium enterprises. In this category, Ledcom was short-listed for the final selection. The entire Ledcom staff wishes to compliment and applaude Wiz Chemicals S.r.l., the final winner of the overall “Mario Unnia” third edition award, and to congratulate BDO Italia for the brilliant organization.

### **About LEDCOM International**

LEDCOM International S.r.l. is a leading manufacturer of lighting control gear, lighting wireless controls and smart city applications. Its LED drivers are recognized as the top quality control gear in the market and, among other advantages, they stand out for their capability to integrate inside the same form factor wireless communication functionality at multiple frequencies without additional external boxes. Through its CellLED® project, LEDCOM is also turning the street lighting system into a pervasive next generation mobile communications infrastructure.
